

Gadget Gurus Volunteers Needed

Are you a gadget guru in hiding?

Do you like to volunteer to help others?

If so, then the Troy Township Gadget Gurus need you!

The Troy Township Gadget Gurus are local Troy Township residents who volunteer their time to help other Troy Township residents make the best use of their gadgets including computers, laptops, phones, cameras, apps, social media, programs, etc.

Time requirements are minimal at only a few hours per month. Experience with mobile devices such as cell phones, tablets, etc. is desired.

For more information about the Gadget Gurus program and what volunteering with them would involve, please contact them by leaving a message at **815-744-1968 ext. 500** or by emailing them at **gadgetgurus@troytownship.com**. One of the current Gadget Gurus will contact you to discuss the program.

All Troy Township Gadget Guru programs, one-on-one appointments and open sessions are free, geared towards adults, and are held at the Troy Township Community Center.
