One Troy, One Hauler – Single Waste Hauler Referendum

Frequently Asked Questions

How much will this service cost me?

The referendum is asking voters to give authority to the Township to enter into a contract for the collection, disposal, composting, and recycling of garbage and refuse for residents of the unincorporated areas of Troy Township. If the referendum is approved by voters, the Township would then go out to bid for these services. Until bids are received, and a contract is awarded, the Township will unfortunately not be able to quote a rate to the residents.

However, we can provide information on similar programs in other townships:

Lockport Township – Currently $25.16/month, $26.42 as of July 1, 2026; Landscape Subscription currently $180/year, $190 as of July 1, 2026. Service is provided by Homewood Disposal: https://mydisposal.com/towns/lockport-township/
